THE PREMIER XPERIENCE

**How can you create a lasting impact on your team and meet your group's objectives?
Does your youth group need to get together in an exciting setting?
Do you need to re-energize the staff of your business?**

“The Premier Xperience” is a custom program that will produce the results catered specifically for your group. You tell us what results you want and we will provide the elements, group initiatives, and setting to get results! We guarantee the positive interaction within your group will continue after the event.

“The PREMIER XPERIENCE”

Choose “The Premier Xperience” program that will fit the goals for your group:

TEAM STRENGTH - 3 or 4 hours

This event is designed to enhance teamwork and strengthen bonds within groups, in a fun and interactive environment. Each element is highly interactive and designed to promote communication, teamwork, and the ability to work with all types of people. Activities will be high-energy and focused on application of the principles learned.

LEAD ON! - 3 or 4 hours

This experience is designed to strengthen leadership skills in individuals, as well as leading a group. Extra time on group challenges will enhance the leadership and thinking skills. Initiatives will focus on group change and the challenge of working together. Processing time will be spent on the effectiveness of the leadership applications and working with many different personalities.

SOLVE THIS - 3 or 4 hours

This experience will promote team work in problem solving and finding solutions to situations. Groups will be challenged to look “outside the box” to form solutions or overcome obstacles. Individuals will be shown how to bring personal ideas to create a team solution, through team challenges and initiatives. Varied missions and barriers will be presented to encourage creative solutions.

FOCUS ON FAITH - 3 or 4 hours

Designed to test faith in others, and bring out faith in every day life. These elements will accentuate team work and the need to work as a unit. Scripture is foundational and designed to encourage individuals to search their beliefs and the application of those beliefs in their daily lives. Specifically designed for youth groups, and initiatives are high energy and interactive. Objectives will be met with lots of fun and entertaining challenges.

All Programs include many of the following: Low Ropes Elements, “Outside the box” thinking, Fun and Interaction, Ice Breakers, Low Ropes Elements, Team Challenges, “Outside the box” thinking, Fun and Interaction!
